COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Shade Tree Committee met Tuesday night and after inspecting elm trees in the village area decided their only course of action toward curbing Dutch Elm Disease was to start on one section of town and cut and prune all trees showing infection. Elsewhere in this paper there is an article explaining the program. Permission to cut private trees will have to be obtained in compliance with the Town By-Laws.

It is felt that the infection is the worst this year than it has been since the disease has been in the area. In some sections every tree shows some indication of infection. Lack of funds will prevent removal of a very large percentage of trees that should be cut.

It is the desire of everyone involved that a more extensive program of planting be undertaken but it is taking much more than the appropriation to remove dead and infected trees.

Elwyn Dickey

Mrs. Imogene Kimball has returned to her home on the Middle Intervale Road from a visit with relatives in Sabattus.

Mr. and Mrs. Harvey Jones of Lewiston were guests last Saturday of Mrs. Maude Bean and Mr. and Mrs. Seymour Butters and family.

Mr. and Mrs. Ernest Perkins entertained at a cook out at their home Saturday evening. Those attending were Mr. and Mrs. John Greenleaf, Mr. and Mrs. Donald Brown, Mr. and Mrs. Seymour Butters and Mr. and Mrs. James Hutchins.

SEVENTY-SEVEN NOW MEMBERS OF BETHEL HISTORICAL SOCIETY

The Bethel Historical Society now lists a membership of 77 people, 18 of whom are charter members. Meetings are held the fourth Tuesday of each month in the Public Library at 7:30 p. m. The officers are: President, Charles Heywood; Vice President, Dale Thurston; Secretary, Eva Bean; Treasurer, Nell Valentine; Assistant Treasurer, Faye Taylor.

As was evidenced last year at the Mollycoddett Day celebration, there are a great many articles of historical interest and value to the Town of Bethel owned by people living here, and it is a project of the Society to earn enough money eventually, to own some property where these articles may be placed on display for posterity.

The dues are only \$1.00 per year. At this date 48 members have not paid their 1967-1968 dues. The checks should be mailed to Mrs. Nell Valentine, treasurer.

Members have already presented papers on Bethel village: the Indian Raid, the history of the Dr. Moses Mason house, dower and wood-turning business, manufacture of furniture, the millinery industry, Hanover and Howards Gore, Newry and West Bethel. Copies have been placed in the files of the Society.

Theodore Johnson, curator of the Shaker Museum in Poland, and who gave a most interesting talk to the Society last winter, has just returned from Europe where he went to gather more information on the subject of Shakers. He is to speak on the subject at the North Waterford Historical Society Aug. 10 at the Williston Church, South Waterford, at 7:30 p. m. The Bethel Historical Society members are invited to attend.

"TOOL SHED" ART EXHIBIT BEING HELD AUG. 7-20 IN NORWAY

The 5th Annual Art Exhibit in the Tool Shed, Yankee Neighborhood, will be open at noon on Monday, August 7, and be open daily thereafter from 10 A. M. until 3 P. M. through August 20.

This exhibit shows the art work of school children, teenagers, art school students, amateur painters and a few professional artists.

Several painters from the Bethel, Rumford, Locke Mills and Bryant Pond area are among those who show their work here.

This exhibit was originated five years ago by Mrs. Edwin A. Emerson with a three-fold purpose: to encourage local children and grown-ups to draw and paint; to provide a place for them to show their work when the Exhibition Hall at the Oxford County Fair Grounds was no longer available; and for the pleasure of our summer visitors and Maine people.

Each year more people find their way to The Tool Shed, a building 110x29 ft situated on a hill with a beautiful view of the hills and river to the west. One mile off Route 110 to the left of the largest display of art work in Bethel County.

BETHEL 12-YEAR-OLD SWIMS SONGO POND

Bobby Howe, twelve year old son of Mr. and Mrs. Clarence "Bud" Howe, Middle Intervale Road, Bethel, swam the length of Songo Pond Wednesday afternoon. The distance of 1.4 miles was covered in about an hour. Miss Martha Keniston, Red Cross swimming instructor, in a row boat, accompanied Bobby. Five years ago Bobby enrolled in the Red Cross swimming program as a non-swimmer and was under the instruction of Bunny Blake for two years. This year he is taking Junior Life Saving from Miss Keniston, the program's director for the past three years. A year ago he received the Boy Scout "Mile Swim" badge at Camp Bonanza.

HIGHWAY COMMISSION ANNOUNCES SPECIAL STATE AID PROGRAM

The State Highway Commission has announced that it had authorized a program for projects to be constructed from the Special State Aid Construction Fund of \$1,000,000 allocated by the 1967 Maine State Legislature for the fiscal year starting July 1, 1967 and also for the \$1,000,000 allocated for the following fiscal year starting July 1, 1968.

The allocation to each of the sixteen counties is established by provisions of the law relating to the Special State Aid Fund. The law provides that the allocation is to be based on the number of miles of State Aid roads in each county, not on any Federal-aid system.

Plans are being developed to start construction on the projects for the first year as soon as possible.

The amount of 5% of the appropriation in each county has been reserved for contingencies for the first year and 10% for the same purpose for the second year.

Included in the projects for the two-year period are the following in Oxford County for 1967-68: The East B Hill Road in Andover, has been allotted \$12,000 for work on an unimproved section, and the Richville Road, Oxford \$4,300 for an unimproved section.

Improved sections in the county include Canton, Route 140, \$10,000; Hiram, Route 160, \$7,000; Paris, Route 110, \$5,500. In the fiscal year 1968-69 the following sections are due for construction: Denmark, Route 117, \$5,000; Greenwood, Greenwood Road, \$1,000; Hanover, Howard Road, \$3,000; Hartford, Route 140, \$12,000; Mexico, Highland Terrace, \$15,000; Upton, East P Hill Road, \$10,000.

Charles Tuell has returned home from the hospital. Mrs. Frank Gibson is visiting at Bethel for awhile.

Mrs. Elizabeth Greenleaf spent last week visiting with friends in Phillips.

Federick Stanley returned home from the U.S. Hospital in Phillips.

Mrs. Michael H. Hurler of Phillips visited with friends in Bethel.

SPECIAL TOWN MEETING FOR BETHEL TO BE HELD THURSDAY, AUG. 24

The special town meeting promised to advocates of the abolishment of zoning in the Residential-Farming areas of Bethel has been scheduled for Thursday evening, Aug. 24, according to John Brown, chairman of the board of selectmen.

At the first of this week it was thought that the special session could be called a week earlier than the scheduled date. Town Manager Elwyn Dickey stated Wednesday that the procedures necessary in laying out a public way, in this case an extension of Eden Lane, would prevent a meeting before Aug. 24.

In addition to the article submitted by petition to abolish zoning in Residential-Farming areas, several other measures pertaining to zoning will appear in the warrant.

Included will be an amendment to permit construction on a lot provided the parcel has frontage on a 20-foot private right-of-way extending to a public way. Present regulations require 20-foot frontage on a public way.

Another amendment would permit housing for itinerant workers on property in the Industrial Zone, providing such housing is owned and controlled by the employer. All such housing would be subject to the approval of the Building Inspector. The ordinance concerning Mobile Home Parks would be amended to exempt trailers that may be used as housing in the Industrial Zone.

The following changes in lot area regulations in the Residential-Farming Zone will be presented for voter consideration: with public water and sewer, 15,000 square feet with either public water or sewer, 20,000 square feet with neither public water nor sewer, 30,000 square feet.

Action will also be requested to exempt building permits for less than \$1,000 from publication.

The Bethel voters will be asked to approve an extension of Eden Lane across land of Norman Greig, extending to property of Avery Angove and Rich and Davis.

It is expected that a request will be made to amend the local ordinance regarding construction of sewers. The change would permit to certain instances the town to finance sewer construction in areas where logical sewer-main extension would be across private land.

Consideration of the voters will be asked concerning the appropriation from surplus of \$150 to purchase additional fixtures for Christmas lighting.

Charles Kaplanek, Jr. of Hanover, N. H., who has been staying at Kathryn Ramello's for the past 10 days on vacation, returned to his home in Hanover.

The Week in Oxford County

Fingerling brook trout have been supplied to Oxford County farm pond owners this week. The project is sponsored by Oxford County Soil and Water Conservation District. The number of fish allocated depended on the size of the pond. A quarter acre pond received 75, Arthur Bucknell, Denmark, with two one-acre ponds received 300, the largest lot given out. Richard L. Roy, Berlin, N. H., of the Fish and Wildlife Service, was in charge of the distribution. Fingerlings were transported in 5 and 10-gallon milk cans.

The Universalist Church, East Sumner, will celebrate its 100th anniversary Aug. 27.

Western Maine artists opened their third annual exhibit on Sunday at the Upper Primary School on Main Street, Norway. Over 100 paintings, drawings and water colors are on display. The show will continue until Aug. 12.

Reportedly Oxford County Sheriff Lester C. Horton of Alton is considering resigning his post to take a position as rural mail carrier in the Albany-Sherburne area. A Democrat, he is serving his second term as Sheriff.

Charles H. Heino, Mechanic Falls superintendent of schools, has announced that Mr. and Mrs. Fred L. Huff of South Paris will teach in Mechanic Falls high school. Mr. Huff will teach industrial arts and Mrs. Huff will teach home economics instructor.

SONGO POND

- Mrs. Ralph Kimball, Corres. -

Mr. and Mrs. Leo Thill of Brooklyn, N. Y., spent a few days last week at the Songo home of the Mark Cymrois following a pleasant tour of the Maine coast.

Mr. and Mrs. Robert Lincoln spent Saturday at Eaton Center, N. H., where they attended the Parents Day activities at a Girl's summer camp there. Their granddaughter from New Jersey was one of the camp participants.

Mr. and Mrs. David Salway hosted a party Saturday evening for several couples in the hall where Leslie Kimball used to hold dances more than fifty years ago.

Mrs. Maud Kimball, Mrs. Eleanor Bean and Mark of South Paris were callers Wednesday at Ralph Kimball's.

BETHEL JUNIOR BASEBALL

A Tribute to Don York

Every week, some team makes a win while others lose, as the baseball season goes along, but this week the real loss in the local ranks was not in any diamond competition. It occurred in the passing of one of the most faithful of the town's veteran coaches, Donald "Don" York.

Not a coach of the glamour teams in the junior program Mr. York was one whom boys remember later when they say, "I started baseball on Don York's team." Parents well remember that he was one father who did find the time, in spite of, or because of his large family, and his long hours of work.

Ever willing to do what he could, Mr. York coached, umpired, passed the bat, or any other job which came his way. Recollection of his service to the boys of the town cost its sadness over boys and fans, as they learned of his untimely death.

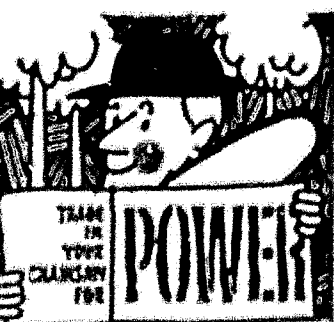

The playing season itself is now in sight of the Father-Son team contests as the squads make their wind-up on regular games. So far, only the Pony League, for Monday, August 14, and the Red Sox, for August 18, next Thursday, have been firmly set.

In their next to final league contest, the older boys entertained Rumford, Monday evening with or interesting if losing battle. Left field, Andy Davis gave his fans some pleasure, as he snatched two mighty clubhouse long hits that came his way. And catcher Doug Farrar grabbed off a lead runner at a most opportune moment as he literally rolled into the home base line in time to cancel the potential score and retire the side.

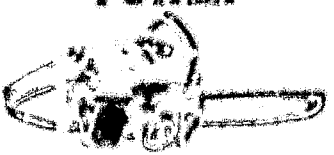

Bethel pitcher, Seth Timberlake held the visitors to two hits, but while he also struck out eight men, he managed to walk more. For Rumford, the pitcher let many Bethelites get aboard by one route or another but there too many of them stayed while the side was retired. After having taken one recess during a shower, the game ended with the score 4-1.

At Mexico Wednesday, the Vegt started on the mound and with alert fielders retired the hosts in the 1st frame in short order. Trouble in the second and further difficulties in the 3rd led to reversing the pitcher's shorts, Seth Timberlake.

Much of the story on the 3rd was told in a couple of well-played, solidly executed games along the first base line and two more solidly.

AT WILSON'S MILLS IN 1914

- J. H. Neil of Brattleboro, Vermont, enclosed the above picture in a recent letter. He wrote, "There is a picture of a group of Bethel Macons taken in 1914 at Wilson's Mills. I am the one sitting

high falls into outfield spaces. Bethel's first score came in a 4th game rally as the bases were loaded, two men out, and Paul Billings, employing a steady eye and self-restraint, walked lead-off batter, S. Timberlake in, but only after a successful 3-2 count.

The game technique, by Doug Farrar, best at the plate, walked in the second and final score. After hitting Mexico to go for the second in their 4th game, the Bethelites lost their rallying power, in the 5th, and the game was called at 4 and a half with Bethel surrendering 9-2. The game was punctuated by some rather startling plays, not the least of which was one by rookie second baseman, Brad Fiske, to pitcher Timberlake covering first base. Tim Kelso was the starting pitcher for Mexico.

Red Sox took some lopsided victories during the week as they traveled to Locke Mills last Thursday and to Rumford Pond Tuesday. At Locke's, host pitcher, Peter Seamus held the mound for the duration but his fielders' enthusiasm as they were would not match the surge they gave during their earlier meet as Bethel Ronald Jackson joined the ranks of hitter making four bases on a strong hit and separated his feat at Rumford Pond Tuesday. Larry Winslow pitched returning to play after a knee injury, first baseball connected, which obliterated him a week ago. Catching was Pete Blake for Bethel while Steve Bellings of Locke was relieved by short stop, Marvin Cole.

At Rumford Pond the young host team showed considerable progress in a trap and together kept over their first meet here but were again in defeat. They were eight fielders again, and the game was a high level but, for a welcome, cat. Pitcher for Bethel was Ben Tim Timberlake.
